**From the Family of Lois Frank**

It is difficult to find words to express our feelings for all of you who loved and took care of  
**“Mama”**

- who greeted her every morning with “Hi Mama” and a hug
- who stopped in the hallway to give her a hug or a High Five
- who asked how her day was and waited for a response
- who tried to make her smile on the sad days
- who calmed her fears when she was lifted from the wheel chair
- who smiled back when she pointed her finger, tilted her head slightly, and gave you a teasing smile
- who drove us to Anthony’s or the Casino and listened to our adventures
- who stopped by her room just to see how she was when you passed by
- who made sure her TV was tuned to the Food channel or Hallmark
- who asked if she wanted a bag of popcorn or to play Bingo or watch a movie
- who stood in front of her until she would give you a smile
- who read to her or prayed with her
- who came to clean her room or return clothes from the laundry and always talked to her
- who coaxed her into going to the dining room for a meal
- who amused her as a distraction while tending to her illnesses
- who were patient and forgiving when she was distrusting
- who patiently and slowly fed her in the room when she was too tired to get out of bed
- who never gave up trying to figure out what was troubling her when she cried
- who asked her son and daughter how they were feeling
- who provided hugs for Joe and Lois on our sad days
- who took care of us so well that last week, in so many ways

We entrusted you with our most precious treasure in life. We will never forget your kindness and friendship.

Wesley Homes Staff, thank you being on Mom’s journey with us.
